

WELCOME TO USER CONFERENCE 2025!

San Diego, CA July 14-18, 2025

Welcome to the 2025 Esri User Conference - we are happy you are here! Our partner network is a large part of the success we have every year for our annual user event where thousands of GIS experts gather to learn, network, and share.

Exhibitors and sponsors have had great experiences in the past and we are looking forward to another strong year. This year, we heard a lot of the value feedback provided and made some changes to better your experience.

- Shorter Expo hours to allow you to meet with your teams and attend dinners and socials
- More training for exhibitors and sponsors with three scheduled webinars
- More opportunities for branding and lead generation

We hope these changes will benefit everyone involved and we look forward to seeing all our partners in San Diego!

If you have any questions, please reach out to us at exhibits@esri.com.

LEADS

Quality leads are the reason most organizations join us at UC. Our attendees are dedicated GIS users and are a great targeted audience for your products or services.

Please note that Esri does not provide the attendee list to anyone. This is for the privacy of our attendees. However, there are some ways to earn leads based on your participation. These include sponsoring events such as socials and meetings, presenting at the event, or one of our specialty sponsorship opportunities. Below is some information on leads and how to participate to earn more

IMPORTANT CONFERENCE INFORMATION

The following sections are important information for this year's event. Please read carefully as some of these items require action from all sponsors and exhibitors.

Certificate of Insurance

Each exhibitor on the Expo floor is required to submit a Certificate of Insurance (COI). This document should be provided by your insurance company and must list Esri as the certificate holder/additional insured. You may also purchase coverage for this event through Esri for \$100 on the order form if you are unable to obtain the required insurance.

Policies must have a minimum \$1,000,000 USD amount of general liability coverage. Failure to provide this document by the stated deadline in the Exhibitor Portal may result in your application being declined or approval being rescinded. Any expenses paid to vendors on behalf the exhibitor up to this date are the sole responsibility of the exhibitor.

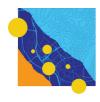

Please review the COI Requirement example here.

Expo Hours

New this year, we heard your feedback and are reducing Expo hours. Each day, we are closing one hour earlier than before and on Thursday, we are closing one hour and a half earlier.

Please note the expo hours and dates and plan your participation accordingly. Exhibitors who leave or abandon their booth before the stated dates or time, may not be invited back the following year to exhibit.

Terms and Conditions

Applicants are required to agree to Esri's terms and conditions at the time of application.

Should you choose to select "Delayed Signature," your application may be placed on hold until Esri receives a signed terms and agreement document, during which time your organization will not be entitled to any benefits related to your application.

Please review the Esri Exhibit and Sponsor Agreement in its entirety here.

Registration

Based on your valuable feedback, we have updated the registration passes we offer for sponsors and exhibitors. Here are the major changes:

- To avoid confusion, no more Expo only passes. We are only offering full conference passes now for your team.
- Even more complimentary passes for your team to join and help with your organization's budget.
- Sponsors are alloted more passes than ever before.
- Additional discounted passes for extra staff or attendees

	Full conference passes total	
Invite only exhibitors	2	
Exhibitors	5	
Bronze Sponsor	13	
Silver Sponsor	15	
Gold Sponsor	20	
Platinum Sponsor	25	

Depending on your location on the show floor, your booth space fee will vary.

If you are in a space designated as "Turnkey required" the booth fee is lower, but you are required to purchase a turnkey structure to complete your order. If you are in a "Standard" or "Select" location, you are welcome to bring your own booth setup or purchase a turnkey structure.

If you wish to merge two or more spaces, you are charged the price of each booth. If you purchase a turnkey booth space and a standard booth space, this now becomes a 10'x20' turnkey required booth space and a 10'x20' turnkey structure is required.

Booths can be combined in any location on the floor and you will be charged the total of all booth fees included. Booth combinations can only go in the vertical direction.

Color Coding and Prices

This 20'x20' space in the main aisle allows your team to front and center at the Expo. These spaces can be combined to form larger spaces.

Standard Booth Space | \$10,100

These 10'x10' booth spaces are great spots on the floor but are often in line with other booths. If you like having neighbors, this is a great way to save money. This space can be combined to form larger spaces.

Select Booth Space | \$11,500

These 10'x10' booth spaces are across from Esri Showcase areas and are high traffic locations because of this. This space can be combined to form larger spaces.

Turnkey Required Spaces | \$6,300

These 10'x10' spaces are in great spots along the main aisles and have high foot traffic. This space can be combined to form larger spaces. These spaces require the addition of a turnkey structure for this space.

Federal Agency Booth Space | \$2,250

These 10'x10' booths are specially priced and located for federal agencies who want a bigger space outside of the kiosks offering.

EXHIBITOR BUNDLES

There truly isn't a bad space on the UC Expo floor! This year we added even more space to accommodate all partners who want to join us on the floor in Hall D near the Demo Theaters.

There are two types of bundles for the UC Expo to choose from. The raw booth space is anything but raw. This bundle includes booth space, electricity, nightly vacuuming, trash collection, carpet (gray), conference passes and a lead retrieval unit.

The turnkey required spaces are usually those facing the main aisles or the Esri showcase areas. These booths include everything the raw booth space has, but does also require the purchase of a turnkey structure as well for an additional fee.

Raw Booth Space (Standard, Select Booths)

- Logo and corporate description on the event website and mobile app
- 10'x10' booth space
- UC promotional media kit
- Nightly vacuuming and trash collection
- 10'x10' carpet (gray)
- 10 amps electricity (per 10x10)
- Five (5) full conference registrations (per organization, not space)
- Special registration rate for additional passes
- (1) Lead retrieval unit (per organization a \$495 value)

Turnkey Required Space

- Logo and corporate description on the event website and mobile app
- 10'x10' booth space
- UC promotional media kit
- Nightly vacuuming and trash collection
- 10'x10' carpet (gray)
- Electricity (dependent on turnkey)
- Five (5) full conference registrations (per organization, not space)
- Special registration rate for additional passes
- (1) Lead retrieval unit (per organization, a \$495 value)

A LA CARTE MENU

Add these menu items to customize your presence. These options are open for exhibitors and sponsors.

Half Meter Board Ad \$930 | limited (4) | one per organization

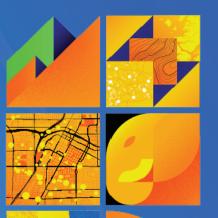

Capture attendee attention and increase impressions with your custom graphic. These standing graphic boards will be placed in high-traffic areas around the Expo hall or convention center.

Full Meter Board Ad \$1,790 | limited (4) | one per organization
