Quote of the Month

"We went from paper and pencil [drawings] that took days and days to get mapped and sent out to everybody, but now, from upper management down to the guys in the field, real-time repair helped us cut down on an unquantifiable amount of cost and time for a given job."

- Josephine Rudd, GIS Manager at Solid Waste Authority of Palm Beach County

Product News

What's New in ArcGIS Earth

New enhancements add offline support, symbology improvements, and more.
